# For Your Information

---

The Oklahoma Dental Foundation offers courses throughout the year for all four of the expanded duty permits that may be obtained by **Dental Assistants** in the State of Oklahoma:

- Radiation Safety
- Coronal Polishing
- Sealant Application
- Nitrous Oxide (*assisting only*)

In addition the ODF offers courses for the two advanced procedures that may be performed by a licensed **Dental Hygienists** in the State of Oklahoma.:

- Nitrous Oxide
- Local Anesthesia

## Things to Know *Before* Enrolling:

- Read the **COURSE REQUIREMENTS** page for each course before enrolling. This page includes very important information pertaining to its corresponding course.
- **SPACE IS LIMITED.** We can only accommodate the number of students as we have chairs/operators. *Courses often fill up before the registration deadline.*
- FOR DENTAL ASSISTANTS: All courses (*except Radiation*) **require 1 year active chair-side experience** before taking the course. Visit **OKDF.org** for more details.
- **ALL applications must be submitted online**, but we now have two ways to pay:
  - Online Payment (use the date specific application) - spot is reserved as soon as payment is submitted; accepts credit/debit cards & eChecks.
  - Mail in Payment (use the "Mail in Payment" application) - spot is not reserved until payment is received.
- The enrollment confirmation is automatically sent to the [email address on the payment page](#).

## Things to Know *After* Enrolling:

- **Course packets are emailed out at least two weeks before the course to the email address on the application.** If you do not have your packet two weeks before the course 1) check your junk mail, then 2) contact the ODF so we can resend it.
- Some courses require a patient for the exam or extracted teeth. Information to help you start securing a patient/finding teeth can be found on the **COURSE REQUIREMENTS** page for that course. Detailed information will be sent with your course packet.
- Read over your course packet carefully as soon as you receive it. **Waiting until the last minute can be detrimental to your success.**

## Questions Regarding Permits:

The ODF does not issue permits and is unable to assist you with questions regarding your specific permits. All questions regarding your specific permit (including status, change of address, or lost permits) need to be addressed to the **Oklahoma Board of Dentistry** (*ok.gov/dentistry* or 405.522.4844)
